## Capabilities Statement

---

Prohealth Staffing D.B.A. PHS Staffing is responsible for sourcing requested personnel and identifying client needs to assure office stability and productivity. Allowing clients to advance their revenues without having to worry about day-to-day staffing needs.

Prohealth Staffing D.B.A. PHS Staffing is an efficient staffing resource for businesses looking to expand and grow their professional team. PHS works directly with the managers to fulfill any staffing needs from the front office to the back office while also covering employment liabilities. PHS also extends its payroll services to handle all back office needs. We also have extensive knowledge in the field of consulting services to give our clients what they deserve.

To become the leading staffing firm nationwide by making companies' staffing needs simplified.
